In this small rural town of Heston in beautiful Galena Township begins the story of Heston Supper Club. In the 1920's the heart of the community was centered around this building. The post office stood next door, and the lumber and grist mills finished materials into marketable products. This building, although smaller at the time, housed a dairy. As time passed and additions were constructed, the building evolved into Heston Grocery and Duffy's Tavern. The tavern served as a place for the locals to come together, eat, drink and discuss current events. Over time, the post office and mills disappeared; however the tavern remained and became known as Heston Bar.

Our Heston story began in 1982, with the purchase of Heston Bar. Over the past 35 years Heston Bar has evolved into Heston Supper Club, a destination restaurant with a comfortable casual atmosphere, welcoming guests from all surrounding areas. Heston Supper Club is dedicated to serving the best in American fare. Our reputation is built on outstanding food, generous portions, and friendly professional service. Welcoming our guests with Heston Supper Club cheese and crackers has become a tradition, and most recently marketed in our local grocery stores. Award winning prime rib is the house specialty, with cuts up to two pounds. Our menu features lake perch, Canadian walleye, hand cut steaks and chops, a wide variety of seafood and our house smoked barbeque fare. Heston Supper Club has been recognized by the Beef Cattleman's Association with the "Best of Beef" Award and by the Wine Spectator with the "Award of Excellence". Our greatest reward however, is the support of the thousands of loyal guests throughout the years with their return visits.

In 1998, a new opportunity presented itself with the purchase of Galena Township Elementary School. After six months of extensive renovation, Heston Hills Event Center was open for business. Heston Hills brings the culinary expertise of Heston Supper Club to a grander scale. Heston Hills is a full-service event center offering many unique opportunities including outdoor weddings on the terrace overlooking the grounds and pond. Heston Hills provides outstanding food and professional service, with attention to detail, to make every event a memorable one.

Our staff is committed to maintain the standard of outstanding food service that is Heston Supper Club.

Enjoy your dinner!  
Tim and Jackie
